

IgA

Role unclear

Constant Portion

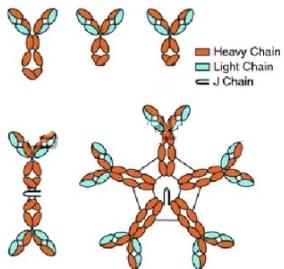

Removes parasitic worms
enhances allergic response

IgD

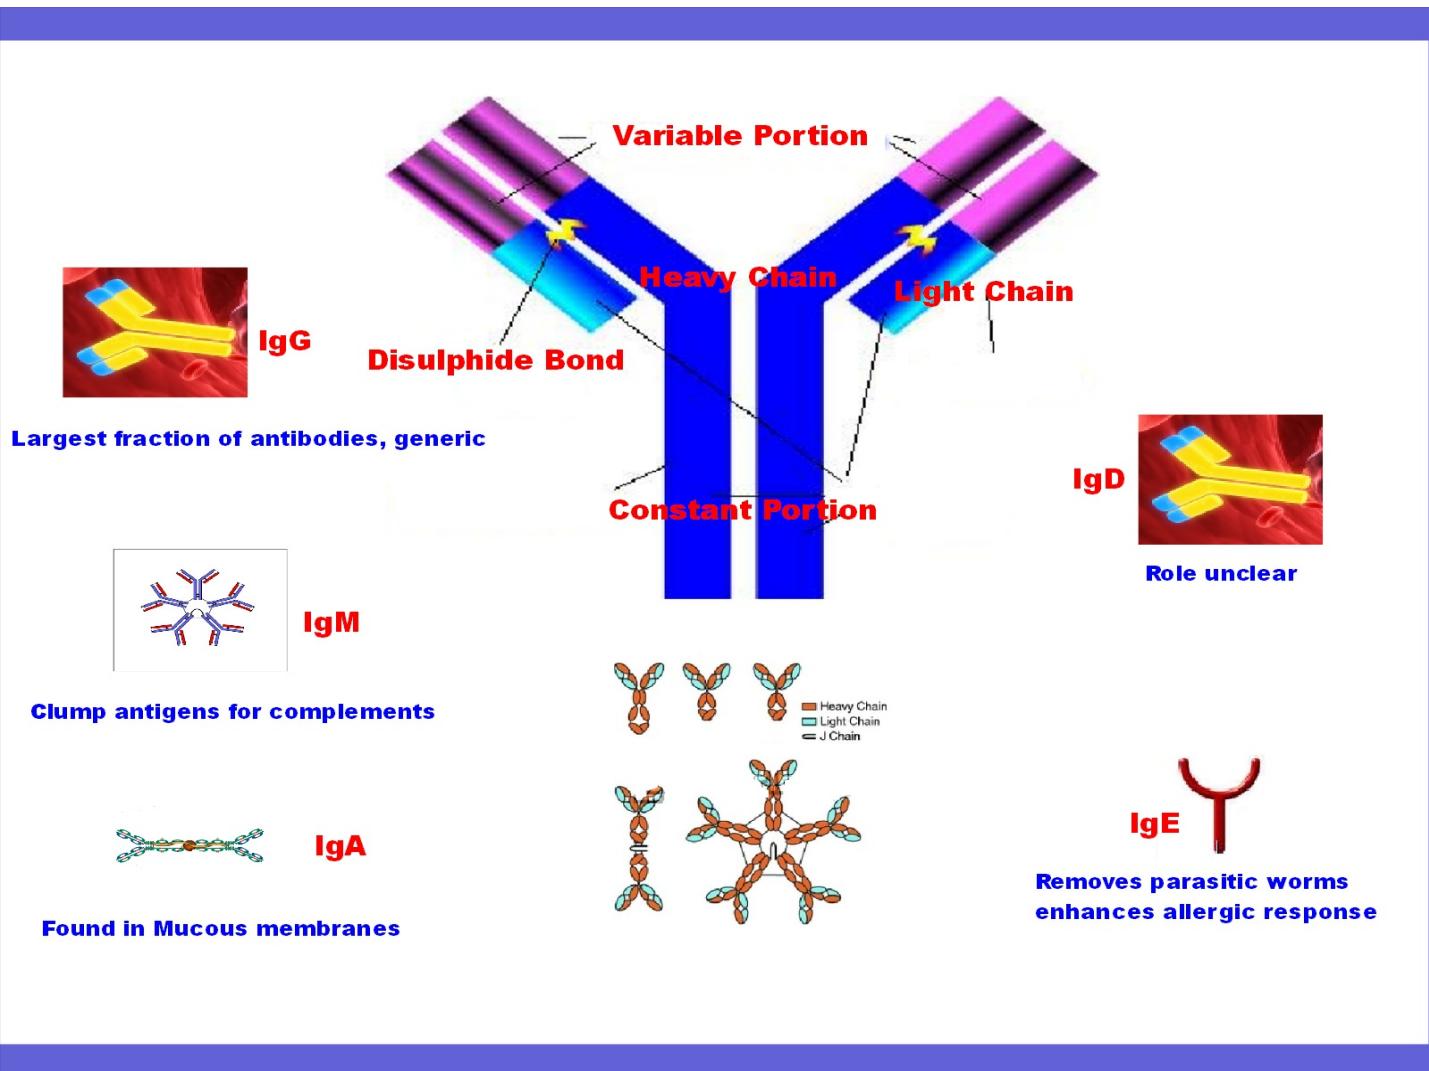

IgE

Clump antigens for complements

Largest fraction of antibodies, generic

IgM IgA IgD IgG IgE

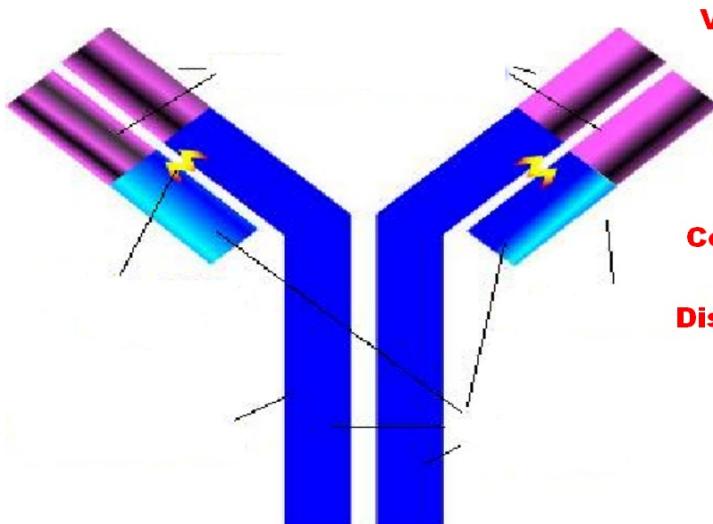

Role unclear

**Removes parasitic worms
enhances allergic response**

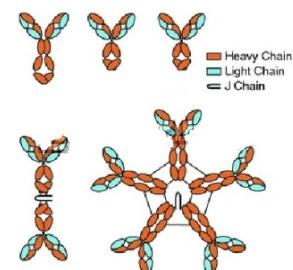

clump antigens for complements

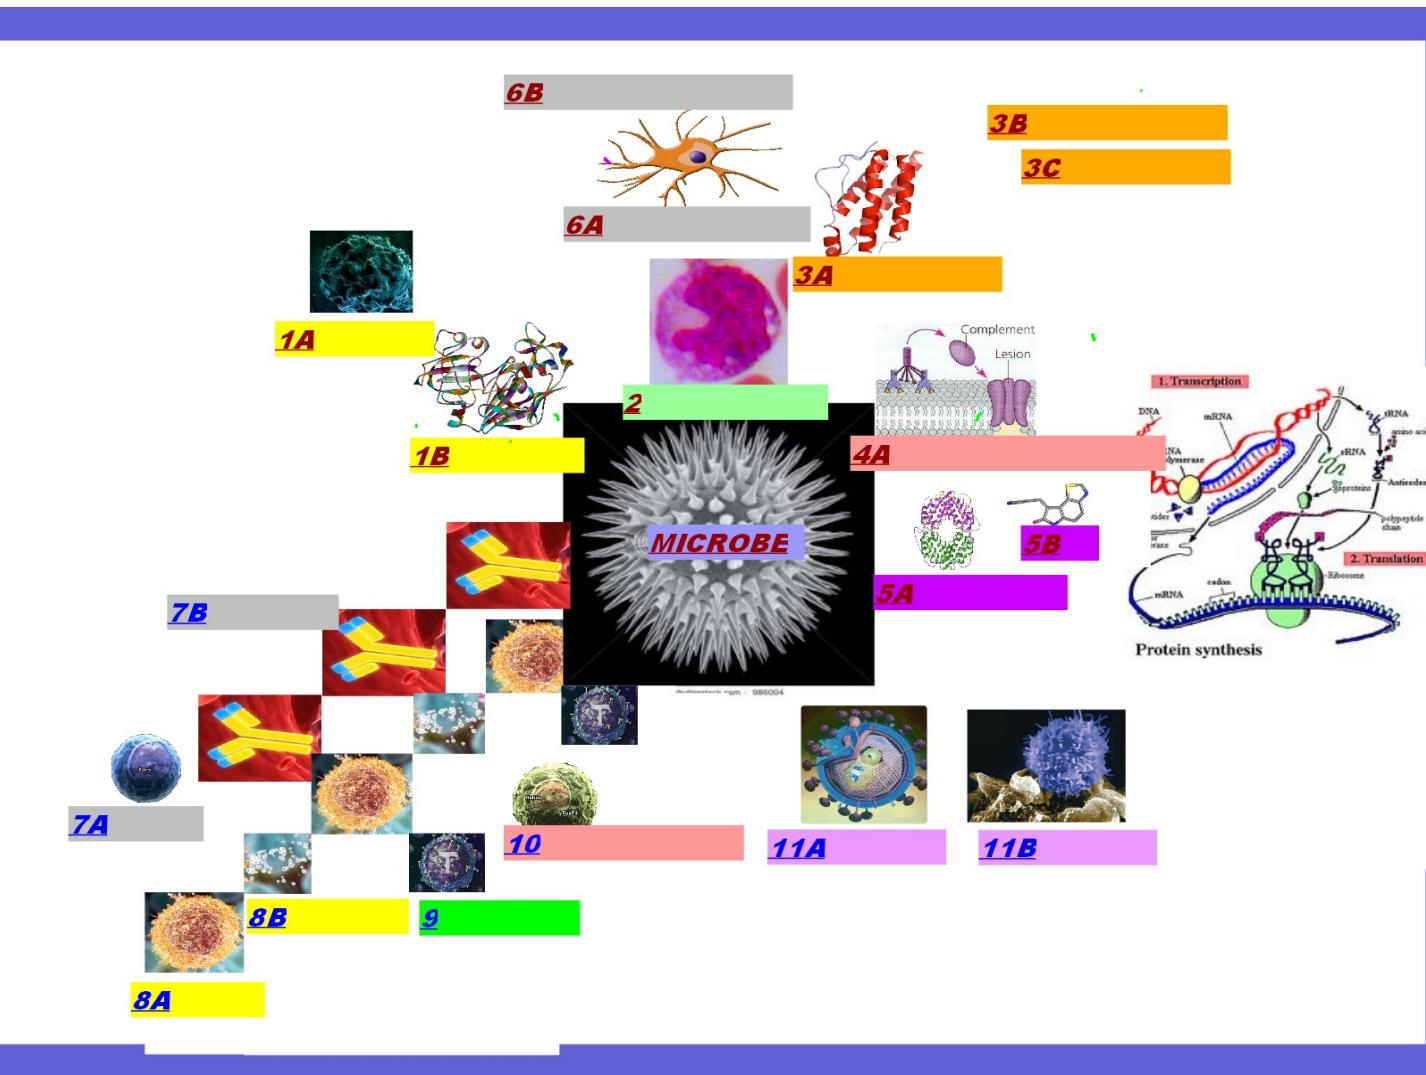

Found in Mucous membranes

Largest fraction of antibodies, generic

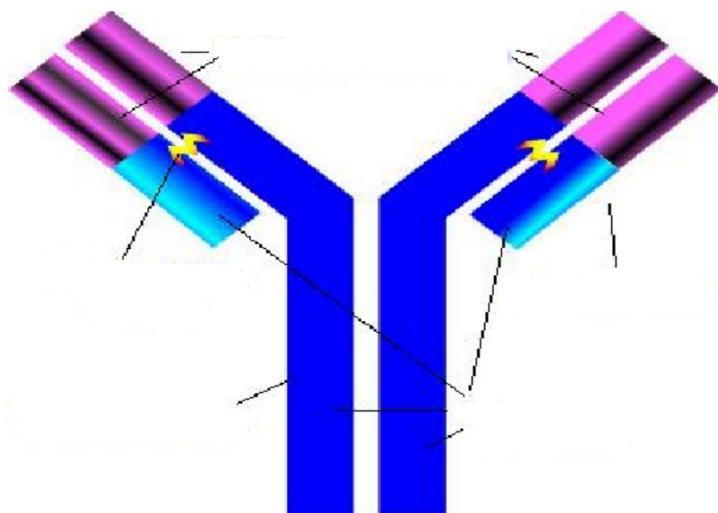

Variable Portion
Light Chain
Heavy Chain
Constant Portion
Disulphide Bond

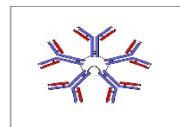

Variable Portion **Light Chain** **Heavy Chain** **Constant Portion**

Disulphide Bond

IgM IgA IgD IgG IgE

Largest fraction of antibodies, generic

Found in Mucous membranes

Role unclear

Clump antigens for complements

**Removes parasitic worms
enhances allergic response**
